

APPLICATION FOR MINOR

A student pursuing a Bachelor Degree on a programme may elect to have a Minor in another programme or discipline. Each department will define the requirements for a Minor. However, the following minimum requirements must be met:

1. A Minor should be at least 35 ECTS.
2. Departments allowing minors should clearly specify the requirements, including course prerequisites, and students should be appropriately informed.
3. The minor will be recorded in the student's transcript as (Bachelor degree in X with a minor in Y).
4. Students may use courses towards their minor that they have taken as part of the required or elective courses of their major.
5. Students may complete their minor with 240 ECTS or in excess of this number.
6. Establishing new minors or changing existing minors requires Senate approval.
